

Model: KNEx-F19

The explosion-proof GSM mobile phone has a super-high quality and domineering three-proof, pressure-resistant and anti-fall structure, which greatly improves the performance and effectively protects the body. This product has the following advantages: dust-proof and waterproof, strong and drop-resistant, long-lasting battery life, and face recognition.

SPECIFICATION

Network type: 5G full network

Brand: KNTECH

After-sales service: 18 months

Interface type: Type-C

Resolution: 1920x1152

Body color: black and orange with full network access, black with full network

Access, supports NFC **Package type:** official standard rear

Camera: 21 million

Storage capacity: 64GB, 128GB

Screen material: LCD

Cell Phone Type: Smartphone Telecom Equipment

Network access license number: 02-A176-220161

Screen refresh rate: 144Hz

Version type: Mainland China

CPU brand: other

Time to market: 2022-11

Screen size: 6.2 inches

Battery capacity: 10000 mAh

Does the version include mainland China: Yes

CPU model: A15

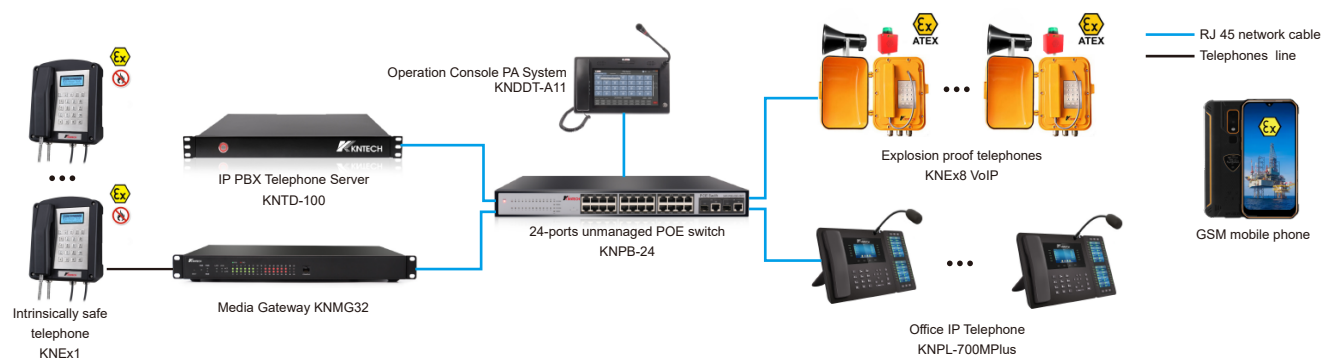

Charging power: 65W

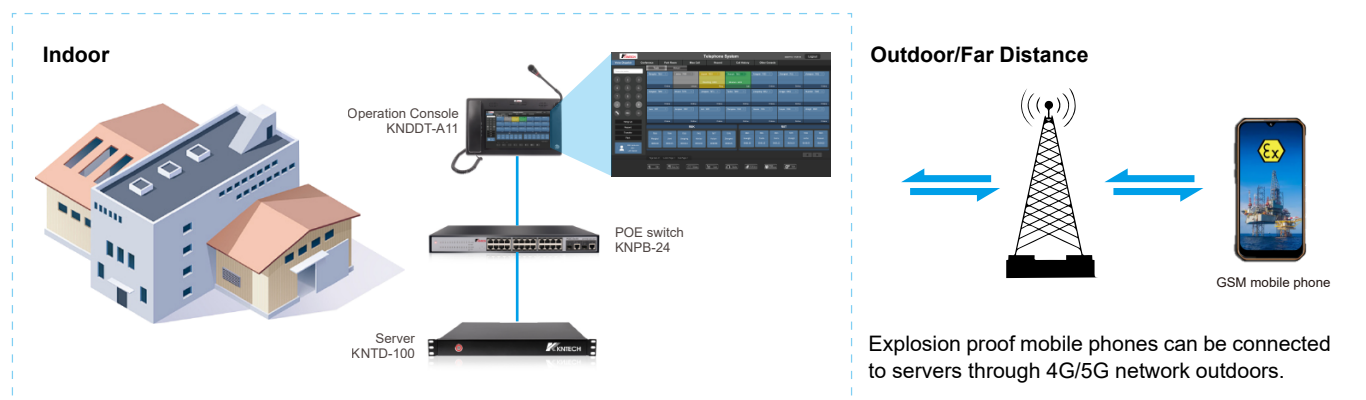

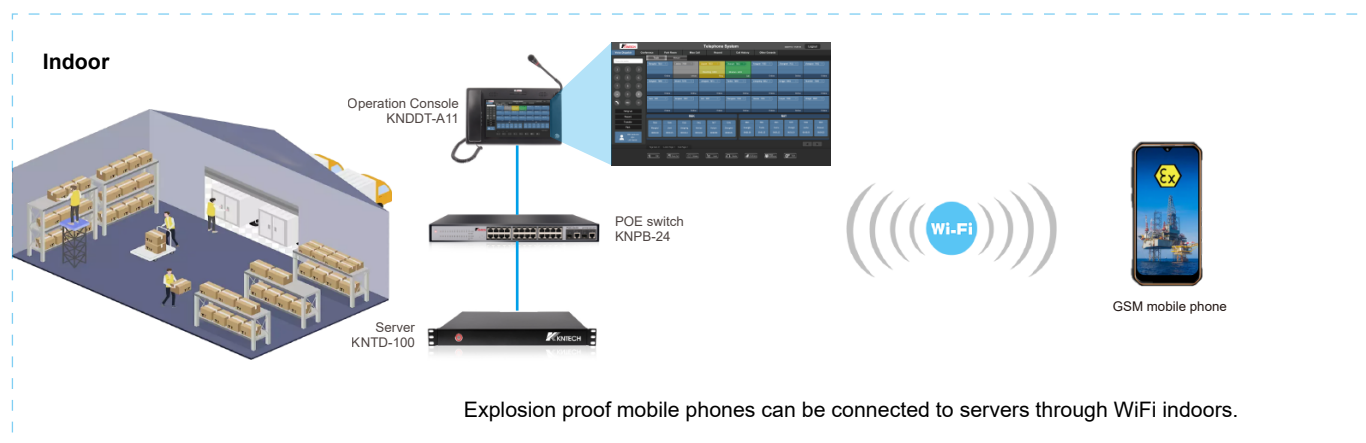

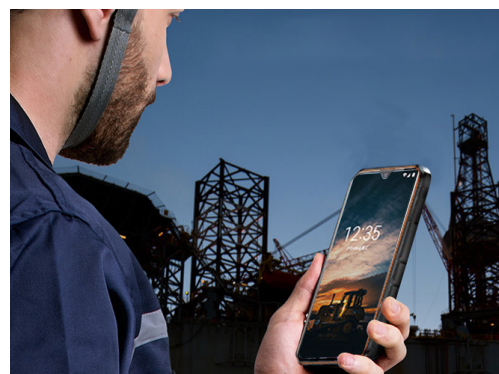

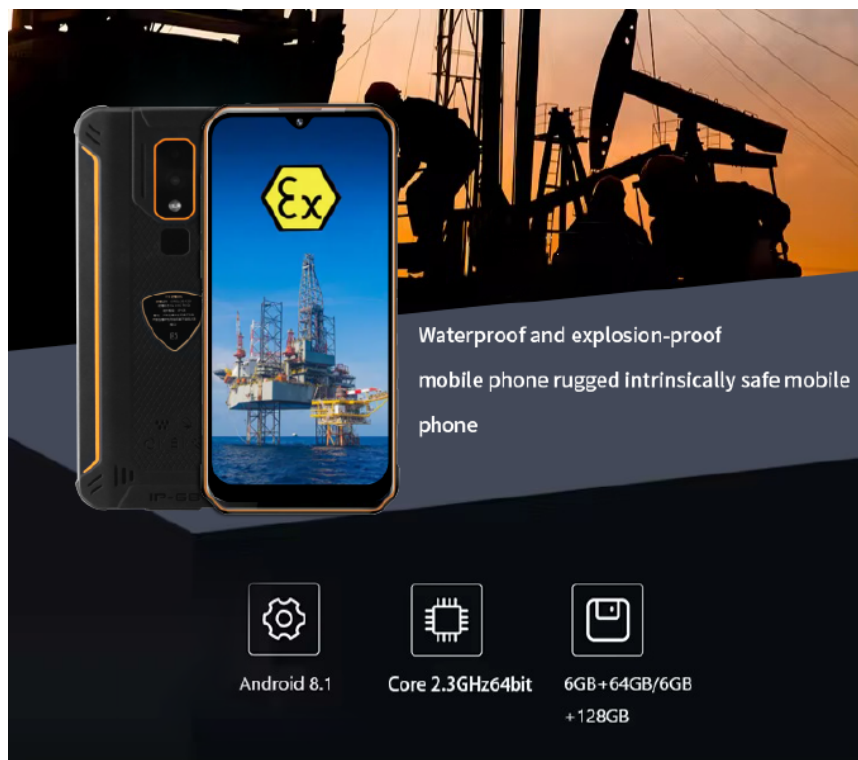

Front camera pixels: 13 million pixels

Product Series: Others

3C certificate number: 2022161606526728

KNTECH's IP PBX Telephone System

Application Scenarios

Petroleum Industry

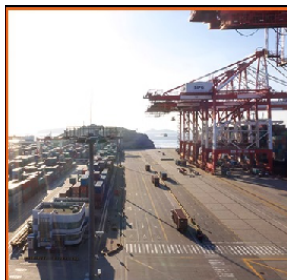

Chemical Industry

Fire Safety

Natural Gas

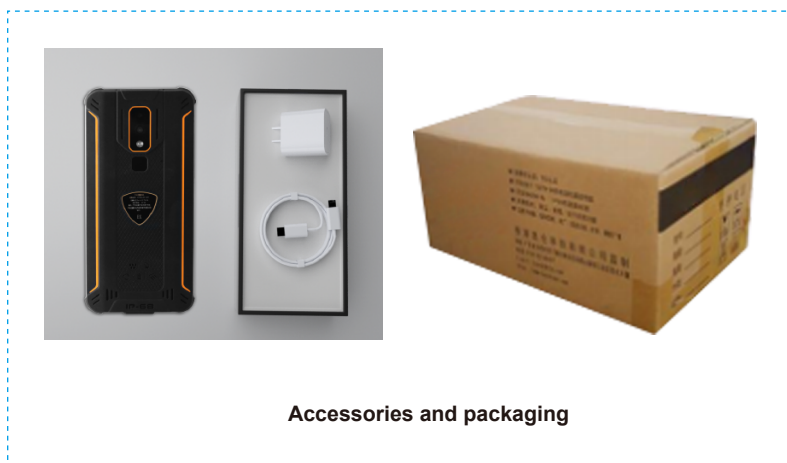

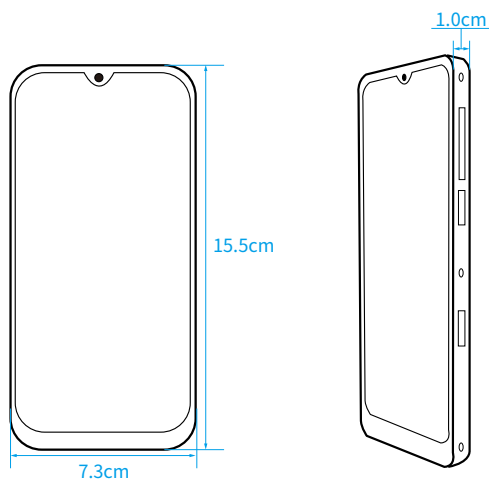

Transportation

Ocean Engineering
